COMMUNITY NOTICE

Date of issue: 16 June 2009
 Ref no: 0396

Bowen Hills

Night work and footpath changes

From Friday 19 June, night works and pathway changes will occur around the Victoria Street site to complete site establishment.

NIGHT WORKS

Night works will occur intermittently over two weeks, Monday to Friday to allow for the demolition of properties along Northey Street and for the delivery and installation of oversized equipment. Night works are required because the demolition fronts a main road and wide loads are not permitted to use main roads outside of these hours.

Activities will include:

- Short-term lane closures between 8pm and 5am managed by traffic controllers and Police escorts
- Building demolition
- Delivery of plant and equipment

What to expect:

- Pedestrian detours
- Large equipment moving within the construction site
- Construction vehicle movements in and out of the work site
- General construction noise including excavator and truck movements

FOOTPATH AND PARKING CHANGES

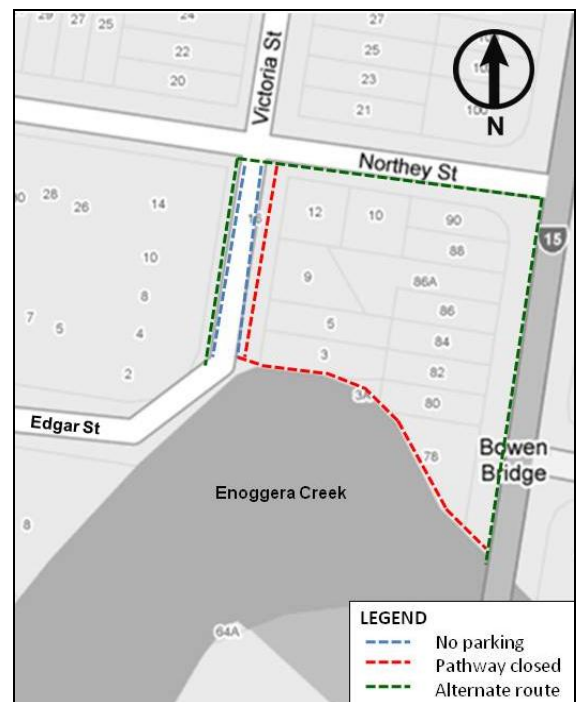

Footpath closures and detours will be in place to maintain connectivity throughout the establishment and operation of the Victoria Street site (expected until 2012).

Closure	Enoggera Creek footpath
Detour	Northey Street and Lutwyche Road footpath
Closure	Victoria Street eastern footpath (from Edgar Street to Northey Street)
Detour	Victoria Street new western footpath (from Edgar Street to Northey Street)

13 on-road car parking spaces will be removed from the eastern side of Victoria Street (Edgar Street to Northey Street)

What to expect:

- Directional signage
- Excavation of footpath
- Construction of footpath
