# Night work and changed traffic conditions on Lutwyche Road

From Monday 31 August 2009, the southbound, kerbside lane on Lutwyche Road will be closed from Cartwright Street to the Inner City Bypass on ramp for utility service work and the widening of Lutwyche Road. During this work access to Bryden Street, Federation Street and the Formule 1 Motel driveway will be maintained.

This change to Lutwyche Road will be in place until mid 2010.

Bus stop 12 – *Newmarket Road* will remain operational unless otherwise notified throughout this closure.

Traffic signage and management will direct motorists and pedestrians accordingly.

These changes may be postponed due to unforeseen circumstances.

### NIGHT WORK

In preparation for the lane closure, survey work, line marking and concrete barrier installation will be carried out during nightworks on 26, 27, 30 and 31 August.

#### What to expect:

- Construction noise, including concrete sawing
- Installation of concrete barriers
- Construction vehicle movements
- Temporary lane closures on Lutwyche Road

### UPCOMING CHANGES - SEPTEMBER

#### Construction vehicle access

Following the construction of two new access locations to the Federation Street work site, construction vehicles travelling to site will do so via the Inner City Bypass slip lane. Construction vehicles exiting the site will initially do so via Lutwyche Road and then via an exit slightly east of the Federation Street / Lutwyche Road intersection.

Further detailed information on the temporary Gallway Street diversion will be distributed soon

#### Footpaths

The footpath from Bryden Street to the Formule 1 Motel driveway will also close during September 2009. Alternate pedestrian access to the Formule 1 Motel will be via Bryden Street and sign posted.
