Airport Roundabout –

5.0m height restriction of east bound circulating lanes at the airport roundabout

Following installation of the bridge decks for the new Gateway Motorway bridge at the Airport Roundabout, there is a height restriction of five metres for vehicles travelling east.

Vehicles exceeding the five metre height restriction (over-sized loads) should detour via the north bound off-ramp at the Airport Roundabout and/or continue north to the Toombul Road roundabout and access the south bound on-ramp to the Gateway Motorway before taking the Airport Drive exit.

This height restriction will be in place until late 2010.
