TOOMBUL / AIRPORT ROUNDABOUT UPGRADE EAST WEST ARTERIAL ROAD REALIGNMENT

From Thursday, 15 July construction activities will continue along East West Arterial Road in preparation for its realignment.

The realignment involves shifting the eastbound carriageway of East West Arterial Road to the north onto a new section of road between Wallaby Street and the Airport Roundabout. Approximately one week after this realignment, the westbound carriageway will be moved onto the old eastbound carriageway from the Airport Roundabout to Sandgate Road. See map overleaf for traffic arrangements.

Construction activities will take place at the Sandgate Road intersection, Nudgee Road intersection, Widdop Street off-ramp and East West Arterial Road.

Date & Time	Construction Activity	What to expect
NIGHT WORK Thursday 15 July – Saturday 31 July: 8pm – 5am, Sunday to Saturday	<ul style="list-style-type: none"> - Trenching - Relocation of traffic signals - Installation of lighting, line marking, barriers, and signs* - Pavement construction, profiling and asphaltting* - Operation of construction machinery including excavator, roller, saw cutting, concrete trucks, mobile cranes* 	<ul style="list-style-type: none"> - Night works between 8.00pm and 5.00am - Construction vehicle movements - Lighting towers and generators - Lane closures on East West Arterial Road and Sandgate Road managed with traffic control - Closure of the Widdop Street off-ramp - Excavation, loading and removal of excavated materials - Delivery of road base, equipment and materials - Construction noise from equipment including excavator, trucks reversing alarms, vehicles, rock hammers and saw cutting, where required - Vibration
SUNDAY DAY WORK 18 and 25 July: 8am – 6.30pm	<ul style="list-style-type: none"> - Installation of concrete barriers and guardrail - Median removal 	<ul style="list-style-type: none"> - Construction vehicle movements - Delivery of barriers - Lane closures along East West Arterial Road managed with traffic control

* The majority of these activities will be carried out during day work however, due to lane closures this work will be carried out at night time, as special circumstance work in some locations. TJH will door knock residents within close proximity to the work area who may be impacted by these activities.

Upcoming Work

Following the realignment of East West Arterial Road, TJH will start construction of the on and off ramps for the Airport Link tunnel in between the carriageways as well as installation of the permanent noise barrier and retaining wall on the southern side of East West Arterial Road, between the Widdop Street exit and Hedley Avenue culvert.

smarter ways to move

CHANGED TRAFFIC CONDITIONS

By **Sunday, 25 July**, motorists will drive along a new eastbound alignment. From **Thursday, 29 July**, motorists will drive along a new westbound alignment. Traffic signage and management will direct motorists and pedestrians accordingly.

The exit from East West Arterial Road to Widdop Street will be extended east and an advisory speed limit of 40 km/hour will be introduced.

Eastbound and Westbound Alignment

Keeping you informed

Please contact the Community Relations Team (Georgina & Anthea) on 1800 721 783 if you have any questions or concerns about this work.

We thank you for your patience during the construction of this important infrastructure.
