- Construction vehicle movements
- Lane closures under traffic control
- Construction noise

Want more information?

If you have any questions or concerns in relation to this work please contact the Community Relations Team on 1800 721 783.

From Monday, 21 November 2011, Truro Street will be local access only to enable completion works.

Work will occur during November and December, including finalising the cul-de-sac at the top of Fosbery and Truro Street, along with the service lane for the Windsor Fire Station. Some night works may be required and further notification will be provided in advance if this occurs.

The Truro Street bus stop will be temporarily relocated to Lutwyche Road on the western side of Clark Park. Pedestrian access will be available from the southern end of Clarke Park (refer to map below).
